REQUEST FOR CHANGE OF 371(c) DATE IN PAIR

Assistant Commissioner of Patents
Washington, DC 20231

Sir:

The Date of Receipt and Completion of 35 U.S.C. 371 Requirements in the above-mentioned application is incorrectly listed in PAIR as April 8, 2009. The executed declaration, containing signatures of all inventors and identifying the application by the international filing number and international filing date, was filed on August 24, 2006, along with the appropriate fee surcharge.

In response to the Notice to File Missing Requirements under 35 U.S.C. 371, dated March 2, 2009, requesting the executed declaration, Applicants submitted a Response to and Request for Withdrawal of Notice to File Missing Parts on April 8, 2009. A copy of the date-stamped docket sheet reflecting receipt in the USPTO of the executed declaration and fee surcharge on August 24, 2006, a copy of the executed declaration, and a copy of check stub no. 44373 confirming payment of the fee surcharge were attached thereto. It is noted that PAIR contains copies of all these documents.

The Notice of Acceptance of Application that issued on May 26, 2009, as well as the Filing or 371(c) Date in PAIR, erroneously indicate the Date of Receipt and Completion of 35 U.S.C. 371 Requirements as April 8, 2009, instead of the correct date of August 24, 2006. Applicants request that the Filing or 371(c) date in PAIR be corrected to accurately reflect the date of receipt in the PTO of the executed declaration and fee surcharge. Copies of the aforementioned date-stamped docket sheet and check stub are attached hereto for the convenience of the Office.

No fee is deemed to be necessary, however, if any fee is due, it may be charged to Deposit Account No. 04-1061.

Respectfully submitted,

/James Edward Ledbetter/
